

TERRA BOANICAL GIN

BY CARDINAL SPIRITS

A beautiful, botanical Indiana gin created with renowned spice blender Lior Lev Sercarz of La Boîte, the legendary spice blending company in New York City. Zuta, cubeb, and juniper make up most of the gin basket, along with Lior's proprietary blend of spices. Zuta is the star of the show, a sweet, minty herb known for its floral aroma. Cubeb, a floral and resinous pepper, adds grapefruit bitterness. Think: woody state parks, secret streams, treasured hiking trails. Wilderness in a bottle with a dash of mint.
